Need Help Exporting Animal Products?

If you have any questions or concerns about the procedures and requirements for exporting animal products, or to obtain a zoosanitary certificate for an animal product, contact the APHIS Veterinary Services office covering the area from which the product will be exported, the area in which your office is located, or the area in which the product is manufactured.

Certificate Endorsement or Export Questions

For animal product export certificate endorsement or questions, select your State or Territory to email the appropriate office and include "Animal products: endorsement or question" plus your State or Territory's name in the subject line. **Note:** *Offices may serve multiple States and Territories.*
