# Export Live Animals to Peru

Last Modified:

## Electronic Signature and Digital Endorsement ACCEPTED

**For Accredited Veterinarians:** Electronic signature ACCEPTED

**For APHIS VMO:** Digital endorsement ACCEPTED

USDA-accredited veterinarians can electronically issue health certificates and use VEHCS (Veterinary Export Health Certification System) to submit them to USDA for digital endorsement.

**USDA can digitally endorse the health certificate and return it electronically.**

What This Means for You

**Accredited Veterinarians:** Use the links below to access or get help with VEHCS. Learn more about [how to issue export health certificates](#).

**Animal Owners/Shippers:** The endorsed health certificate can be printed out directly from VEHCS and does **not** have to be mailed back to you. The printed, endorsed health certificate must accompany the animal(s) during shipment or

travel.

Live Animal Export Country Requirements  [View Requirements](#)

## Summary of Requirements

When exporting animals or poultry to Peru, you should request an import permit from SENASA prior to the exportation.

[Expand All](#)

### Equine

- [Temporary Export of Competition Horses](#) (266.74 KB) (October 2025)
- [Horses - Protocol and Health Certificate With ID Silhouette](#) (357.6 KB) (May 2009)

### Cattle

- [Bovine - Breeding, Fattening, and Exhibition Cattle - Health Certificate](#) (1.43 MB) (June 2025)
- [Bovine Bluetongue Quarantine Procedures in Peru](#) (47.53 KB) (July 2015)
- [Bovine - Embryos - Health Certificate](#) (214.16 KB) (May 2021)
- [Registration Bovine Embryos - Questionnaire](#) (47.97 KB) (October 2017)
- [Registration Bovine Embryos - Questionnaire - Mobile Unit](#) (32.78 KB) (October 2017)
- [Bovine - Semen - Health Certificate](#) (165.48 KB) (August 2013)

### Sheep and Goats

Effective December 24, 2003, small ruminants from the United States are restricted from export to Peru due to a risk of scrapie.

## Swine

- [Swine - Breeding - Health Certificate](#) (236.73 KB) (January 2022)

## Poultry

Peru restricts the importation of hatching eggs from States with a detection of highly pathogenic avian influenza (HPAI) in commercial poultry and day-old chicks from affected counties. To confirm the State or county of origin status for HPAI in commercial poultry, check with your [Veterinary Export Trade Services \(VETS\) Endorsement Office](#).

When exporting animals, germplasm, or poultry to Peru, remember to request an import permit from SENASA prior to exportation. Without an import permit, the shipment will not be allowed in the country.

- [Poultry - SPF Eggs - Supplemental Health Certificate](#) (224.84 KB) (January 2025)
- [Poultry - Chicken - Day-Old chicks - Health Certificate](#) (450.89 KB) (January 2025)
- [Chicken - Hatching Eggs - Protocol](#) (323.71 KB) (January 2025)
- [Turkeys - Protocol - Health Certificate Addendum - Day-Old Poults and Hatching Eggs](#) (249.73 KB) (January 2025)
- [Ducks - Health Certificate Addendum - Day-Old Duckling and Hatching Eggs](#) (344.64 KB) (January 2025)
- [Guineafowl - Day-Old Chicks and Hatching Eggs - Protocol and Health Certificate](#) (398.55 KB) (January 2025)

## Birds (Non-Poultry)

- [Ornamental and Song Birds - Protocol and Health Certificate](#) (44.09 KB)  
(January 2012)

- [Reptiles - Health Certificate and Protocol](#) (41.9 KB) (February 2015)
- [Hyenas - Health Certificate](#) (149.96 KB) (November 2017)
- [Macropodidae Family \(Kangaroos, Wallabies, and Related Species\) - Health Certificate](#) (147 KB) (December 2017)
- [Frozen Canine Semen - Health Certificate](#) (47.4 KB) (February 2015)

## **Taking a Pet to Another Country?**

### [Visit Pet Travel](#)

If your species is not listed, the requirements for that species are not known. Exporters who want to ship livestock or germplasm whose requirements are not listed above should have the importer or buyer in the destination country apply for an import permit at the appropriate ministry. This import permit will most likely outline the specific requirements.

## **Need Help?**

### USDA-Accredited Veterinarians

Contact a USDA-accredited veterinarian for questions about your destination country's entry requirements for animals (including any needed vaccinations, tests, or treatments); issuance of health certificates; and status updates on certificate endorsement

### [Find a USDA-Accredited Veterinarian](#)

### Live Animal Industry Team

APHIS Veterinary Services' Industry Team offers commodity-specific expertise for live animal exports. Use the dropdown to contact us with questions about endorsing

export health certificates.

# Tips for Exporters and Accredited Veterinarians

## Endorsement Services

- **No in-person or drop-off services.**
- For fastest processing, have your [accredited veterinarian](#) **submit certificates through [VEHCS](#).**
- Routine APHIS VEHCS processing services are staffed Monday through Friday from 7:00 a.m. to 4:30 p.m. Central Time (CT), excluding Federal holidays. The time listed in VEHCS reflects GMT.
- Paper certificates are discouraged but may be mailed to one of our two paper endorsement offices (see addresses below).

## Status Updates

Endorsement offices **cannot confirm delivery or provide status updates.** For updates:

- Contact your [accredited veterinarian](#) (they can check VEHCS status).
- Use your **mail tracking number.**

## Important Tips

- Ensure accuracy and submit documents as early as possible within the allowed timeline of the destination country to avoid delays.
- Use **overnight or Saturday delivery** when mailing.

## **Mailing Addresses**
