Export Live Animals to Singapore

Last Modified:

Electronic Signature **ACCEPTED**; Original Ink Endorsement **REQUIRED**

For Accredited Veterinarians: Electronic signature **ACCEPTED**

For APHIS VMO: Original ink endorsement **REQUIRED**

USDA-accredited veterinarians can electronically issue health certificates and use VEHCS (Veterinary Export Health Certification System) to submit them to USDA for endorsement.

USDA must ink-sign and emboss the health certificate.

What This Means for You

Accredited Veterinarians: Use the links below to access or get help with VEHCS. Learn more about [how to issue export health certificates](#).

Animal Owners/Shippers: You can arrange to have your health certificate returned by mail (a prepaid, preaddressed return label must be provided during certificate submission). The endorsed health certificate—ink-signed and embossed—must accompany the animal(s) during shipment or travel.

Summary of Requirements

[Expand All](#)

Equine

Equine

For racing, competition, or shows

- [Horses - Protocol and Health Certificate](#) (112.18 KB) - July 2017
- [Horses - Temporary - Protocol and Health Certificate](#) (202.66 KB) - July 2017

Sheep and Goats

- [Sheep and Goats - Protocol and Health Certificate](#) (35.64 KB) - March 2013

Swine

- [Swine - Breeding - Protocol](#) (4.62 KB) - August 1990

Poultry

Effective March 16, 2022, the National Parks Board/Animal & Veterinary Service (NParks/AVS) of the Republic of Singapore has imposed temporary restrictions on

the importation of poultry and hatching eggs from the 10 km radius restricted areas around the affected premises.

- [Poultry - Day-old Chicks - Protocol](#) (2.21 KB) - March 1990
- Link to VS Form 17-6, [Certificate for Poultry for Hatching Eggs for Export](#)

NOTE: In addition to the protocol requirements above, all health certificates for the export of poultry must include the following two statements:

1. “Highly pathogenic avian influenza (HPAI) is a notifiable disease in the United States (USA)”;
AND
 2. “The poultry for export are captive-bred and do not originate from areas within the 10 km radius of restricted area around a highly pathogenic influenza affected farm.”
- [List of countries/regions/zones suspended for import of poultry and poultry products \(i.e. eggs\) to Singapore due to HPAI.](#)

Birds (Non-Poultry)

Effective March 16, 2022, the National Parks Board/Animal & Veterinary Service (NParks/AVS) of the Republic of Singapore has imposed temporary restrictions on the importation of ornamental birds from the 10 km radius restricted areas around the affected premises.

Other Animals

Please visit Singapore's Animal & Veterinary Service website for more information on [importing reptiles and miscellaneous pets to Singapore](#).

Taking a Pet to Another Country?

[Visit Pet Travel](#)

If your species is not listed, the requirements for that species are not known. Exporters who want to ship livestock or germplasm whose requirements are not listed above should have the importer or buyer in the destination country apply for an import permit at the appropriate ministry. This import permit will most likely outline the specific requirements.

Need Help?

USDA-Accredited Veterinarians

Contact a USDA-accredited veterinarian for questions about your destination country's entry requirements for animals (including any needed vaccinations, tests, or treatments); issuance of health certificates; and status updates on certificate endorsement

Tips for Exporters and Accredited Veterinarians

Endorsement Services

- **No in-person or drop-off services.**
- For fastest processing, have your [accredited veterinarian](#) **submit certificates through [VEHCS](#).**
- Routine APHIS VEHCS processing services are staffed Monday through Friday from 7:00 a.m. to 4:30 p.m. Central Time (CT), excluding Federal holidays. The time listed in VEHCS reflects GMT.
- Paper certificates are discouraged but may be mailed to one of our two paper endorsement offices (see addresses below).

Status Updates

Endorsement offices **cannot confirm delivery or provide status updates.** For updates:

- Contact your [accredited veterinarian](#) (they can check VEHCS status).
- Use your **mail tracking number.**

Important Tips

- Ensure accuracy and submit documents as early as possible within the allowed timeline of the destination country to avoid delays.
- Use **overnight or Saturday delivery** when mailing.
