Draft Guidance Documents for Comment

Last Modified:

The following list contains drafts of proposed guidance documents.

In an effort to get fair and balanced input from the veterinary biologics industry prior to finalizing guidance documents, the Center for Veterinary Biologics (CVB) posts selected draft guidance documents for a 3-week comment period.

How To Submit Comments

If you wish to have your comments on any of the draft documents listed below considered by the CVB, use the following procedure:

1. Submit comments by email addressed to cvb@usda.gov.
2. Format the subject line of the email to read "Comments on draft notice/memo [insert ID number]."
3. Submit comments by 12:00 p.m. (central time) on the due date indicated for each document.
4. The CVB will acknowledge receipt of the comments by return email. Responses to email comments will not be provided.

For past documents, view VS 800 Series Memoranda and CVB Notices—Historical Summary of Proposed Documents (35.57 KB) (February 12, 2025).
