Certification Statements:

1. I have verified the presence of any microchips listed in box 21. (Animal microchips are not required for entry into Egypt)

2. I certify that the animals described in box 21 have been inspected by me on this date and appear to be free of any infectious or contagious diseases and, to the best of my knowledge, exposure thereto, which would endanger the animals or other animals or would endanger public health.

3. To my knowledge, the animals described in box 21 originated from an area not quarantined for rabies and have not been exposed to rabies.

4. Rabies vaccination information see table 1 below.

NOTE: The rabies vaccination must have been administered within the last 12 months, and the pet must arrive in Egypt at least 30 days prior to the twelve month anniversary of vaccine administration. (i.e. the pet can arrive no later than 11 months after rabies vaccine was administered).

5. Other vaccinations, treatments, and/or tests and results (optional - place a diagonal line through the boxes if not used) see table 2 below.

This certificate is valid for 14 days after issuance.
