Additional Field(s):

NParks/AVS Import License Number:

Name and Address of the Breeding Facility:

Certification Statements:

I, the undersigned USDA Accredited Veterinarian, certify the following statements:

1. The animals for export were born and bred in a breeding facility approved for the import of such animals by NParks/AVS-Singapore.
2. No cases of myxomatosis, tularemia, rabies, Lymphocytic choriomeningitis, Leptospirosis, Korean haemorrhagic fever (Hantaan virus infection), viral haemorrhagic disease of lagomorphs, or any disease notifiable in the United States, have occurred in the breeding facility in the preceding twelve (12) months prior to export.
3. No case of monkeypox has occurred in the breeding facility in the preceding six (6) months prior to export.
4. The animals for export have not been inoculated with any microorganisms, nor been in contact with animals which have been inoculated with any microorganisms.
5. The animals for export have been examined and found to be healthy and free from any clinical signs of infectious or contagious disease at the time of export.

This certificate is valid for seven (7) days from the date of issue to the date of import.
